

Licensing Agreement

Thanks for downloading the **AccrediQuick 2026 Professional Pack**! A few official points to note:

1. This toolkit is licensed to a single organisation (the purchaser) for internal business use.
The documents may be modified and used within that organisation only for the setup and continued use of an ISO compatible Information Security Management system for ISO 27001.
2. Redistribution, resale, sharing, publication or inclusion in another commercial product is **prohibited** without prior written permission.
3. This toolkit is subject to UK copyright © 2026 The Product Cell Limited. Company Number 16282544.
4. "AccrediQuick" is a trading name of The Product Cell Ltd and is a registered trade mark IPO Number UK00004337114.
5. This licence agreement is subject to the law of England and Wales.

2 Classification: Public

> Copyright © 2026 The Product Cell Limited, trading as AccrediQuick. Company Number 16282544.

This document forms part of the AccrediQuick ISO 27001:2022 Toolkit and may not be redistributed. AccrediQuick is a registered trade mark.

Download and Refund Sale Terms

By downloading your digital toolkit purchase as above you agreed that :

- The download is exclusively for use in your organisation by you and you shall not breach the licensing agreement above.
- This product is supplied as a digital download. Once you have expressly consented to immediate download on our sales platform and acknowledged that you lose your statutory right to cancel, refunds cannot be provided simply because you change your mind.
- If the files are defective, incomplete, corrupted, or materially different from their description, please contact us within 30 days. We will either resolve the issue promptly or provide an appropriate refund where required by law.
- This policy does not affect your statutory rights under UK consumer law.
